Chicago Review Press, United States, 2011. Paperback. Book Condition: New. Reprint. 212 x 138 mm. Language: English . Brand New Book. Joumana Haddad is angry. She finds the West s portrayal of Arab women appalling and the image projected by many Middle Eastern women infuriating. Being an Arab today means you need to be a hypocrite, Haddad boldly states. We constantly and obsessively think about sex but dare not talk about it. In **I Killed Scheherazade**, Haddad challenges prevalent notions of Arab womanhood and, in the process, shatters the centuries-old stereotype of Scheherazade, the virgin heroine of *The Arabian Nights* who won the king s affections. Fiery and candid, this provocative exploration of what it means to be an Arab woman today will enlighten and inform a new international feminism.
