History Press (SC), United States, 2014. Paperback. Book Condition: New. 226 x 155 mm. Language: English . Brand New Book. Beachgoers usually dread riptides and rainy days, but from 1974 to 1983, a different fear gripped the New Jersey Shore: young women were disappearing. Their abductor was Richard Biegenwald, a man released for good behavior after serving seventeen years in prison for murder and spending time in a psychiatric facility. Police arrested him on suspicion of rape, and it was not until they connected him to a woman s death in Asbury Park that he finally stopped his rampage. Investigators later linked him to nine murders and convicted him of five. Former New Jersey state trooper John O Rourke narrates the chilling story of the Jersey Shore Thrill Killer.
