

Birds of Eastern North America: A Photographic Guide

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

BIRDS OF EASTERN NORTH AMERICA: A PHOTOGRAPHIC GUIDE

To save **Birds of Eastern North America: A Photographic Guide** eBook, remember to refer to the button under and download the file or get access to other information which are in conjunction with BIRDS OF EASTERN NORTH AMERICA: A PHOTOGRAPHIC GUIDE book.

Princeton University Press. Paperback. Book Condition: new. BRAND NEW, Birds of Eastern North America: A Photographic Guide, Paul Sterry, Brian E. Small, Combining informative and accessible text, up-to-date maps, and--above all--stunning color photographs, this is the best and most lavishly illustrated photographic guide to the birds of eastern North America. All of the images have been carefully selected to convey both the sheer beauty and the key identification features of each bird, and many of the photos are larger than those found in other guides. Wherever possible, a variety of plumages are pictured, providing visual coverage and usefulness matching any artwork-illustrated field guide. And many of the images are state-of-the-art digital photographs by Brian Small, one of North America's finest bird photographers. These pictures, many seen here for the first time, reproduce a previously unimaginable level of detail. Finally, the ranges of nearly all species are shown on maps from the Cornell Laboratory of Ornithology, the authority on North American birding. New and experienced birders alike will find this guide indispensable: the clear layout will help novices easily identify the birds they see, while the superb photographs will help seasoned birders confirm identifications. * The best, most lavishly illustrated photographic guide to the region's birds * Larger color photos than most other field guides * Fresh contemporary design--clear, easy-to-use, and attractive * Informative, accessible, and authoritative text * Range maps from the Cornell Laboratory of Ornithology * Covers entire eastern half of mainland North America and the arctic and subarctic territorial islands of the U.S. and Canada.
