

The IEP from A to Z

By Diane Twachtman#8211;Cullen

Jossey Bass, 2011. Paperback. Book Condition: New. 18 x 23.3 cm. "The IEP From A to Z is a step-by-step guide to help educators, parents, and clinicians get the right education plan in place for students with Autism/Asperger's, ADHD, Emotional/Behavioral Disturbance, and related conditions. From autism expert and best-selling author Diane Twachtman-Cullen and noted speech-language pathologist Jennifer Twachtman-Reilly, this book guides readers through the process of writing thoughtful, intelligent Individualized Education Plans that deliver high-quality, need-based educational programming to students with ASDs. The book is split into two Parts. Part I provides a brief overview of special education law and outlines the crucial building blocks of IEP development: Present Levels of Performance (PLPs); Underlying Conditions; Methodology; Criteria for Performance/Prompt Levels; Generalization; Goals/Objectives; Evaluation/Data Collection; and an IEP "potpourri" (Least Restrictive Environment, Accommodations, Modifications). Part II presents a collection of helpful sample IEPs so that readers can see how the specifications outlined in Part I lead to comprehensive, clearly defined IEP goals and objectives. Praise for the 1st edition (titled How Well Does Your IEP Measure Up?) "Finally, an IEP book that focuses on the 'science' of writing clear, understandable and measureable objectives. The authors brilliantly expose the absurdity of public...
