RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 28 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1893 Excerpt: . . . morphia in some of the cures for the opium habit, but as far as can be ascertained this method of treatment is never completely successful, and the patients real struggle begins when the codeine is stopped. As an ingredient in cough mixtures the drug is a most excellent one and an admirable substitute for morphia. A disease in which it has often been pronounced a specific is diabetes mellitus, where it is given in doses double or even more than double those ordinarily recommended. Indeed it is said by some writers that no result can be expected from a dose less than a grain, although the regulation dose is not over over-half that quantity. --N. W. Lancet. The Kansas Way. --The following appears at the foot of a billhead of a Kansas physician. It is unique, original, and pointed, and we presume effective: A prompt...

### Reviews

*Very beneficial for all type of folks. It can be rally intriguing throgh studying time. You will like how the writer publish this ebook.*

-- **Nathan Cruickshank**

*Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
