

Follow Her Home (Hardback)

Filesize: 7.48 MB

Reviews

The publication is easy in read through better to recognize. It usually will not cost too much. You wont feel monotony at whenever you want of the time (that's what catalogs are for concerning when you question me).

(Rebecca Bechtelar)

FOLLOW HER HOME (HARDBACK)

Minotaur Books, United States, 2013. Hardback. Book Condition: New. 211 x 142 mm. Language: English . Brand New Book. A stunning, edgy debut introducing Juniper Song, an amateur sleuth taking on the darkness in the veins of L.A. with razor-sharp wit and a breaking heart. Juniper Song knows secrets how to keep them and how to search them out. As a girl, noir fiction was her favorite escape, and Philip Marlowe has always been her literary idol. So when her friend Luke asks her to investigate a possible affair between his father and a young employee, Juniper (or Song as her friends call her) finds an opportunity to play detective. Driving through L.A. s side streets, following leads, tailing suspects-it all appeals to Song s romantic ideal of the noir hero. But when she s knocked out while investigating a mysterious car and finds a body in her own trunk, Song lurches back to the real L.A., becoming embroiled in a crime that goes far beyond role play. What s more, this isn t the first time Song has stuck her nose in other people s business. As she fights to discover the truth about her friend s family, Song reveals one of her own deeply hidden secrets, something dark and damaging, urging her to see the current mystery through, to rectify the mistakes of her past life. A dazzling debut from fresh new talent Steph Cha, featuring a strong, modern, sharply observant heroine with an unforgettable voice, Follow Her Home takes readers through dangerous twists and turns, beyond the glittering high-rises and freeways of L.A. on a case that will stay with them long after the final page. Praise for Follow Her Home [Song] is a compelling and original protagonist One only hopes that Cha and her driven, neo-noir detective have more...
