Excerpt: . master s words, after so modest an admission! The science of Mesmer is of recent growth; it is not yet exempt from the attacks of satire and ridicule; nor has it been attempted gravely to deal with it. Each doctor has his prejudices, his scholastic dogmas, which it is difficult to remove. It is alleged that Mesmer and his followers are not in search of truth, but are merely anxious to be considered wonder-workers, and to constitute a sect. Now, what another has said is injurious; let us disregard it. Genius brought us a torch to illumine THE SCIENCE OF MAGNETISM. 193 a newly-opened career: extinguish it; let us feel our way. I will guide your steps. Such is the secret, but real cause of the obstacles which magnetism has to encounter; but those obstacles must have an end. If the science be a...
