The law provides that the Commission shall have general supervisory control over the organization of irrigation districts in the state of Montana and do all things necessary for the full development of the irrigable lands. Organization. The act as originally passed carried an appropriation of \$10,000, but through a clerical error the appropriation was reduced to \$2,500. This has been a serious handicap in carrying out the provisions of the bill. A deficiency claim of \$7,500 was authorized pending the action of the coming legislature and all claims for salaries and expenses have been met by deficiency claims since the depletion of the available \$2,500. The past year has seen a great deal of activity in irrigation questions. The demand made upon the Commission in the nature of investigating and reporting upon the feasibility and costs of districts and making preliminary visits to projects in the process of forming districts made it necessary to employ two additional engineers. The original irrigation district law was passed by the legislature In 1907 and was similar in nature to the law relating to municipal improvement districts. The supervision and control over the issuing of bonds by the districts were placed with the boards of county commissioners. As this feature proved to be unsatisfactory, particularly in the marketing of the bonds, the law was amended in 1909, so as to place the control of bond issues with the district courts. Under this...
