Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Harmonics or Flageolet is also widespread technique for stringed instruments. Due to the harmonics the range of the instrument extends. Therefore, it is good to be able to play. The book consists of three parts. At the beginning of the book there is a table of harmonics, then chords with harmonics and arpeggios in major and minor with harmonics. Another section is devoted to the accompaniments with harmonics. On four pages you will find sample of picking patterns with artificial harmonics. But it is true here that the patterns are for inspiration only, create your own rhythmic variations. The last part of the book provides a songbook with the use of harmonics. The are in the book songs without text.
