

The Go Point: When It's Time to Decide--Knowing What to Do and When to Do It (Paperback)

Filesize: 7.88 MB

Reviews

This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE GO POINT: WHEN IT S TIME TO DECIDE--KNOWING WHAT TO DO AND WHEN TO DO IT (PAPERBACK)

Random House USA Inc, India, 2009. Paperback. Book Condition: New. Reprint. 201 x 132 mm. Language: English . Brand New Book. What do you do when it s time to get off the fence? One of the world s most noted leadership experts, Michael Useem uses dramatic storytelling to show how to master the art and science of being decisive. He places you smack in the middle of people who faced their go point, when actions or lack of them determined the fates of individuals, companies, and countries. Why on earth did Robert E. Lee send General George Pickett on an almost suicidal charge against the Union lines at Gettysburg? How does the leader of a firefighting crew make life-or-death decisions when one direction means safety, the other danger? You ve just assumed responsibility for a scandal-wracked corporation, a company teetering on the brink of disaster. What you decide over the course of the next several days will have consequences for thousands of employees and investors. How do you fulfill your responsibilities? You ll discover why some decisions were flawless, perfectly on target, and others utterly disastrous. Most of all, you ll learn how to make the right calls yourself, whether you re changing your career, launching a product, or deciding on a potential acquisition or merger.
