WestBow Press, United States, 2012. Paperback. Book Condition: New. 212 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.There is a growing interest in the Christian community to study the Hebrew language. Many Christians have expressed a deep feeling that there is much more to the Old Testament than one experiences in a first reading. There is a growing hunger among Christians to study the biblical languages to gain this deeper insight. As a Christian who was raised in an evangelical Christian environment, I am convinced there are spiritual lessons in the Old Testament that we as Christians never experienced. As a Hebrew teacher who has studied the Hebrew language from both a Christian and Jewish perspective, I am convinced that there are truths buried in the Old Testament that have never been exposed to us. A day rarely passes that I do not discover something new and exciting about God and my relationship with Him that I have never realized in a lifetime of walking with God. I have learned that the Old Testament is like the heart of God; it is a well that will never run dry. In this book, you will discover things about God and your relationship with him that you may never have considered. Perhaps you have considered such things but found no biblical reference to confirm it. Ultimately, what you will be discovering is God revealing His heart to you through the depths of His Word as shown through the ancient Hebrew.
