Part philosophical treatise, part hard-core survival guide, this unique and thoroughly unconventional manual blends philosophy with a detailed introduction to a rich assortment of endangered traditional living skills, including: Harvesting and preparing unconventional proteins Feral food preservation Dealing responsibly with waste Natural methods of birth control Tanning and processing animal skins Lyrical, humorous, surprising, enlightening, and thought-provoking by turns, Unlearn, Rewild is essential reading for those who wish to heal themselves and the earth, live gracefully into the future primitive and experience their wildest dreams. Miles Olson has spent the past decade deeply immersed in learning and practicing earth skills.
