Canadian School Geography (Classic Reprint) (Paperback)

By George A Cornish

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Canadian School Geography Canadian schools have been too long tied down to United States text-books in Geography either adapted or made over. Every paragraph of a good text-book in geography is permeated with the atmosphere of the country in which it is to be used. To adapt or make over such a book for another country quenches its fire and it becomes lifeless and uninteresting. To write a text-book from the Canadian standpoint has been the purpose of the present author. The subject matter, the comparisons, the maps, and the illustrations have the Canadian atmosphere. This text-book differs in several respects from those with which Canadian educationists are most familiar. 1. The map has been made the centre about which the practical work of the pupil is built up. What the apparatus is to the student of chemistry, and crayons and paints to the student of art, maps and pictures are to the student of regional geography. The performance by the pupils of the many projects in this text will give them such skill in...
