

Sally Potter (Paperback)

By Catherine Fowler

University of Illinois Press, United States, 2008. Paperback. Book Condition: New. 206 x 138 mm. Language: English . Brand New Book. This survey of Sally Potter's work documents and explores her cinematic development from the feminist reworking of Puccini's opera *La Bohème* in *Thriller* to the provocative contemplation of romantic relationships after 9/11 in *Yes*. Catherine Fowler traces a clear trajectory of developing themes and preoccupations and shows how Potter uses song, dance, performance, and poetry to expand our experience of cinema beyond the audiovisual. At the heart of Potter's work we find a concern with the ways in which narrative has circumscribed the actions of women and their ability to act, speak, look, desire, and think for themselves. Her first two films, *Thriller* and *The Gold Diggers*, largely deconstruct found stories, clichés, and images, while her later films create new and original narratives that place female acts, voices, looks, desires and thoughts at their center. Fowler's analysis is supplemented by a detailed filmography, bibliography, and an interview with the director.

Reviews

It is great and fantastic. It is one of the most remarkable book i have got go through. You wont truly feel monotony at whenever you want of your respective time (that's what catalogues are for about when you check with me).

-- **Matt Rodriguez**

A must buy book if you need to adding benefit. It really is packed with wisdom and knowledge I found out this book from my dad and i encouraged this pdf to understand.
