Their cooperation has resulted in this remarkable collection of Shake-speareana. The British Museum owns the best single collection of the kind, but it has not all of the books presented here, nor can it bring together for a loan exhibition such a collection as this. In America they are chiefly in the libraries of private collectors whose generosity affords opportunities for the public like the present one. Unfortunately, there are in America but three public collections which contain Shakespeare s works of sufficient value to form the basis of an exhibition. These are in the Boston Public Library, which contains the Barton Collection, in the Elizabethan Club of Yale University, with its famous Huth quartos, and in The New York Public Library, with its Lenox Collection. The Lenox Collection is the basis of this exhibition. About the Publisher Forgotten Books publishes hundreds of thousands...
