Createspace, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****. Conversational, friendly, and fun, makes this book accessible to all levels of readers. Despite what you may have heard about tarot reading, you don't have to be psychic to do one. There are a few simple things you need to know to start doing readings for yourself and your friends in no time. (Table of Contents below) This book includes spreads that answer a variety of useful questions: - Simple spreads for beginners, including the one- and two- card spreads. - Popular spreads like Horseshoe and Celtic cross. - More specific spreads like Does he love me? and How to get my ex back. Spreads are easy to accomplish and include helpful pictures to give people more of an idea of what to focus on. But this book is not only about spreads, it provides great advice with EXPLANATIONS AND EXAMPLES that show how something should be done and clarify what many people might have been doing wrong; e.g. framing questions correctly. Stories in the book are very relatable and show real people; how they are often not even aware of small items that actually create their problems. And the real life sample readings tie together everything that has been said. What other Tarot readers say about this book I really liked the book. You explain the layouts and how to tweak them very well and make it sound fun and simple. A really well written book that lays out a wonderful starting method with clear explanations. An excellent book for anyone curious about tarot cards to pick up. I love that you make this simple enough that someone who is just starting can easily create...
