Brand New Book ***** Print on Demand *****.Strong Mystery is an omnibus, a collection of the first three books in the Owen Strong and Jinhao stories. BOOK ONE - STRONG ADEPT In Strong Adept, Raven Bond has created an inventive and highly mystical world, where East and West, the ancient ways and the Age of Steam intertwine. Murder and magic are at the heart of the first meeting of Owen Strong, Master Sorcerer, and the mysterious Imperial Adept, Jinhao. BOOK TWO - STRONG MAGIC The year is 1885. The city is an alternate Hong Kong. Some of the city's most powerful men are dead from what appear to be heart attacks. When Owen and Jinhao discover that there are radicals in Hong Kong who are planning to assassinate key delegates to disrupt upcoming trade negotiations, it's not just Hong Kong that they must save: if they do not succeed, a world war will be imminent. BOOK THREE - STRONG JUSTICE In an alternate Hong Kong, Owen Strong is in trouble. He meets with an old friend from his school days in Britain who asks for his help in a personal matter, only to betray him. When Jinhao, Owen's mysterious Chinese companion, returns early from a visit with a sister who is a notorious pirate, she...
