Accountability Office, 2008 OCLC Number: (OCoLC)196220913 Excerpt: . . . compliance with these procedures. However, CBP had not established internal controls to ensure that field office managers share their assessments with CBP headquarters to help ensure that the new procedures were consistently implemented across all ports of entry and reduced the risk of failed traveler inspections. We recommended that DHS implement internal controls to help ensure that field office directors communicate to agency management the results of their monitoring and assessment efforts and formalize a performance measure for the traveler inspection program that identifies CBPs effectiveness in apprehending inadmissible aliens and other violators. Immigration Enforcement. DHSs immigration enforcement mission includes apprehending, detaining, and removing criminal and illegal aliens; disrupting and dismantling organized smuggling of humans and contraband as well as human trafficking; investigating and prosecuting those who engage in benefit and document fraud; blocking and removing employers access to undocumented workers; and enforcing compliance with programs to monitor visitors. Over the past several years, DHS has strengthened some aspects of immigration enforcement. For example, since fiscal year...
