

The Soul of Ancient Egypt: Restoring the Spiritual Engine of the World

By Robert Bauval

Inner Traditions Bear and Company. Paperback. Book Condition: new. BRAND NEW, The Soul of Ancient Egypt: Restoring the Spiritual Engine of the World, Robert Bauval, Imagine the paradise of ancient Egypt: a lush green valley with a gentle river, full of animals and birds of all sizes. The first settlers, arriving by way of the desert, would have marveled at this beautiful landscape. This awe held on through the first three millennia of settlement in Egypt. Centered on careful observations of the natural rhythms of their environment, particularly the Nile, this enlightened civilization lived in a state of spiritual balance and harmony they called "living in Maat." This state was further enhanced by the sacred landscape of Egypt and the colossal monuments and pyramids the Egyptians built to reflect the heavens, thus creating a cosmic "spiritual engine" for the ancient world. But sadly, the paradise and Maat of ancient Egypt were not to last, and for the past two thousand years Egypt has experienced many occupations by hostile forces bent on taking control of this magical land. Exploring the exemplary social and cultural model that produced the golden civilization of ancient Egypt as well as the many waves of conquest...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
