It embrace the biographical sketches of ail persons prominently connected with the history of the nation. Not only do rulers, statesmen, soldiers, persons note worthy in the church, at the bar, in literature, art, science, and the professions find place, but also those who have contributed to the industrial and commercial progress and growth of the country. The aim of the work is to exemplify and perpetuate, in the broadest sense, American civilization through its chief personalities. Such a work of historical biography has never before been attempted - Previous works have either excluded the living, or limited them to u well-known few in the centres of activity. But this Cyclopaedia is unique. It has been prepared upon new lines which insure its being the biographical authority of the century. It is intended to make this...
