

Compendium of Infection Control Technologies (Paperback)

By Joel S Rossen, Ron Stoker

Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Compendium of Infection Control Technologies - Part 1 Every employer where even a single employee is at risk of exposure to blood borne pathogens, such as HIV, HVA, HVB, or HVC, must have a written Exposure Control Plan in place. This plan must include evaluation or consideration of every engineering control, medical device, or personal protective device that is currently on the market for prevention of such an adverse event. Finding and procuring those devices is just the beginning of this gargantuan task. This publication is the central cog in the exposure prevention device evaluation system. The device evaluation task is enormous, as of this writing, there are currently well over 700 such devices on the market. And that is just one of the reasons that so many facilities are severely out of compliance. The task is just too big. At least it was. A task like this was made for computer automation. And that is exactly what has been done here. Simply ascertaining where and what these devices are is a task that could take weeks...
