Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

The University of Chicago Press. Hardback. Book Condition: new. BRAND NEW, One Hour in Paris: A True Story of Rape and Recovery, Karyn L. Freedman, In this powerful memoir, philosopher Karyn L. Freedman travels back to a Paris night in 1990 when she was twenty-two and, in one violent hour, her life was changed forever by a brutal rape. One Hour in Paris takes the reader on a harrowing yet inspirational journey through suffering and recovery both personal and global. We follow Freedman from an apartment in Paris to a French courtroom, then from a trauma center in Toronto to a rape clinic in Africa. At a time when as many as one in three women in the world have been victims of sexual assault and when many women are still ashamed to come forward, Freedman's book is a moving and essential look at how survivors cope and persevere. At once deeply intimate and terrifyingly universal, One Hour in Paris weaves together Freedman's personal experience with the latest philosophical, neuroscientific, and psychological insights on what it means to live in a body that has been traumatized. Using her background as a philosopher, she looks at the history of psychological trauma and draws on recent theories of post-traumatic stress disorder and neuroplasticity to show how recovery from horrific experiences is possible. Through frank discussions of sex and intimacy, she explores the consequence of sexual violence on love and relationships, and she illustrates the steep personal cost of sexual violence and the obstacles faced by individual survivors in its aftermath. Freedman's book is an urgent call to face this fundamental social problem head-on, arguing that we cannot continue to ignore the fact that sexual violence against women is rooted in gender inequalities that exist worldwide - and must be addressed. One Hour...
