Many do not finish the coursework, some do not pass comprehensive exams, but the majority who do not finish could not complete their dissertation. This book is for those beginning their doctoral program, those who are in the middle of the program, those about to embark on their dissertation, but most importantly, it is for those who may be stuck in the dissertation for whatever reason. This book, written as a hyperlinked User s Manual, addresses these topics in short bite sized chapters. Note: First Edition was entitled quot;Smart Doctor: Getting through your Dissertation and Beyond.
