Brand New Book ***** Print on Demand *****.Synopsis: This lively commentary encompasses four major books focusing on women in the Hebrew Bible and Apocrypha. Each section in the volume addresses the biblical text in detail, and draws connections from the world of ancient audiences to that of present-day readers. Judith: The pious and beautiful widow who lets the enemy commander s appetite become his downfall in order to save her besieged city. This volume is an opportunity to engage these women s suspense-filled stories, which have sustained faith communities since ancient times.
